OUR VISIONS & GOALS

Vision: To provide due care the live of the helpless and destitute and old Aged persons & children in the society and those did not get proper care due to poverty, so that they live as valued members of the society with a peace of mind before going to their eternal home.

Goal: To Ensure a sound and friendly environment for the an Old aged persons & children towards achieving a promising peaceful conditions for them fostering their physical, mental, social and spiritual development and well being as well.

*"BE THE CHANGE FOR THOSE,
WHO HAVE NO HOPES "*

PURPOSE OF THE PROJECT:

Specific Objectives:

1. To establish a **well constructed**, well managed, community participated and safe Old Aged home, **Shelter home** for single, divorcee, widow, orphan girls & street beggars at a suitable place.
2. To ensure **adequate nourishment** and clothes for the them.
3. To ensure access to instant and quality **health care**, so that they can get awareness on health and hygienic issues.
4. To provide fellowship activities, recreational facilities, mental support, social affairs and spiritual formation.
5. To promote **resource generating activities** for financial sustainability of the old aged home beyond donor funding.

EXPECTED ACHIEVEMENTS

What the project is expecting to achieve?

1. A well constructed, well managed, community participated and safe establishment at suitable and friendly good environment for the single, divorcee, widow, orphan girls, street beggars & Old aged group

1.1 3000 Square feet concrete single/multiple storey building for **shelter home** will be established with living, reading, dining, worship room, recreational and IT facilities for approx. 30 persons.

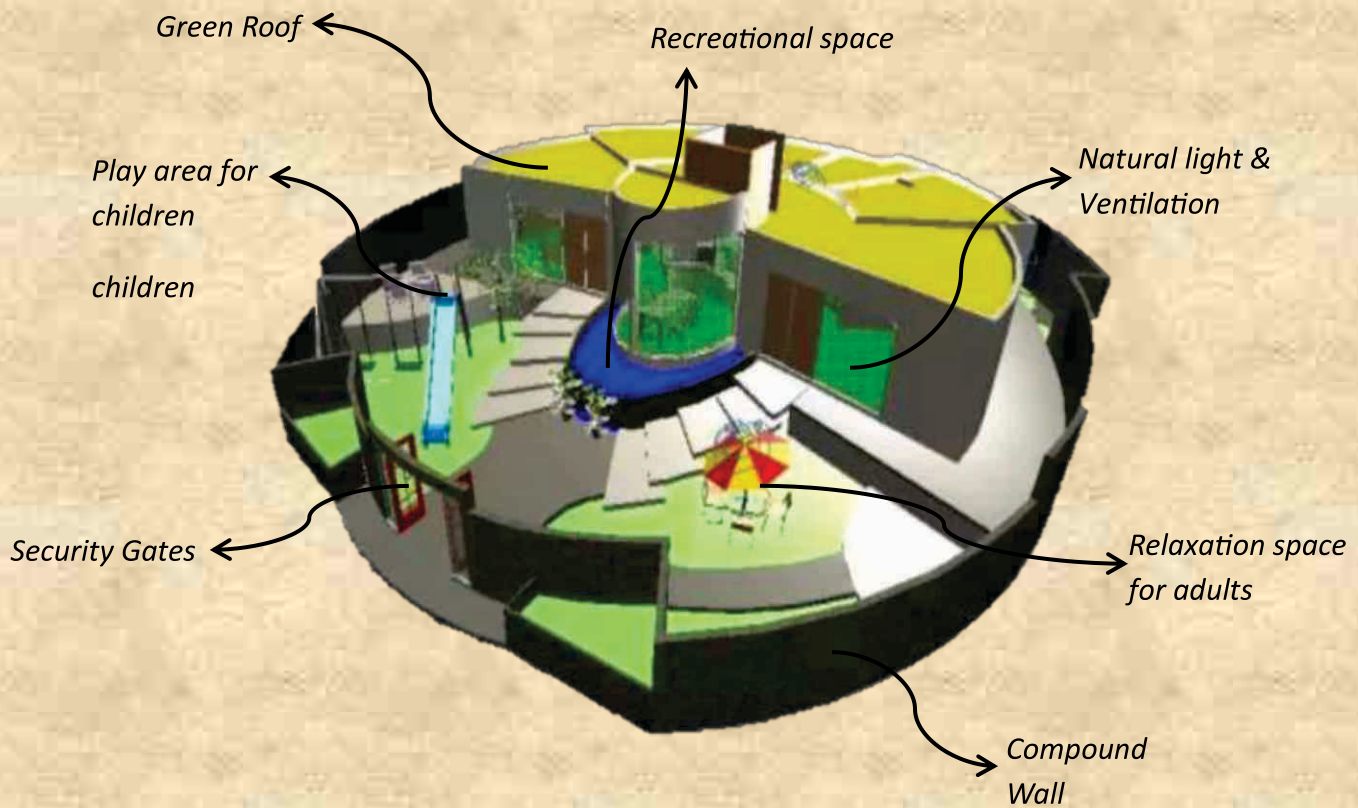

1.2 Experienced staffs will be deployed for operation and maintenance.

1.3 About 5 guntha (approx. 5000 sq.ft.) out of 11 guntha land for **organic farming**, where resident can work and earn.

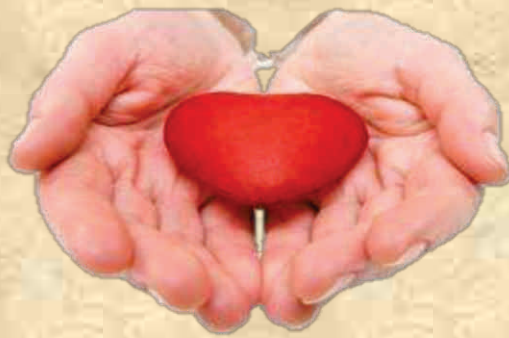

1.4 Compound wall, main gate, borewell, light connection, security systems like cctv camera facilities.

1.5 Sustainable building with solar panels, waste water management, natural light & ventilation.

WHAT WE ARE IMAGINING!

** Design is tentative and may change accordingly*

“ Help others achieve their dreams, & you will achieve yours.”

THANK YOU!
